Re: McCaffrey v. McCaffrey

Dear Loretta:

I have reviewed the QDROs you have sent. I believe that the date in the QDROs needs to be changed to Tom's last date of employment which I believe is August 31, 2000. The intent of the parties was to divide any and all benefits in both plans on a 50/50 basis. Please check with Andy and/or Tom to determine Tom's last date of employment. Please change the date. Once this has been done, both orders appear to be correct. Please forward the revised orders to Andy for his signature, and by copy of this letter I would ask Andy to then send it to my office so it will arrive by the time I get back from vacation on August 28th.

Very truly yours,

Bette Ellen Quiat
